with logo engraving

PERSONALIZED LIGHTS

Get your own logo laser printed on SCANGRIP lights

As a special service, SCANGRIP offers to laser-engrave your logo on our high-quality flashlights.

The new flashlight range is packed in an exclusive box in hard, sturdy carton with coated surface and 4 colour print. The box is opened by a magnetic lid revealing the product firmly positioned and protected in a foam insert.

- Branding of your company
- The perfect personalized customer or employee gift
- Use as gimmick for special events, company anniversary or the like

OPTIONAL LASER POSITION

Logo print will look white/creamy
