

FLASH PEN R

Rechargeable, sturdy and powerful pencil flashlight

ORIGINAL
SCANGRIP

SINCE 1906

FLASH PEN R is very sturdy and of extraordinary high quality designed for the professional user. It is with focus function for concentrated and focused light beam offering an extremely bright light output of 100 lumen. Light output reaches up to 90m.

Move lens from extremely bright close range work light and long-distance light, possible to move lens beam angle from 10° - 70°.

FLASH PEN R features a sturdy and durable aluminium housing with a good ergonomic grip for a firm hold. Supplied with clip for the chest pocket.

The flashlight can easily be recharged by the enclosed USB cable and once necessary the rechargeable batteries can easily be replaced.
