

# TORCH LITE 400

## Rechargeable LED flashlight

ORIGINAL  
SCANGRIP  
SINCE 1906

The rechargeable TORCH LITE 400 is a high-quality LED flashlight for universal application at a very competitive price.

The LED flashlight is designed for any professional user who needs a rechargeable and strong flashlight for all types of work tasks.

TORCH LITE 400 provides as much as 400 lumen and light output reaches up to 120 m. By means of the focus function you can vary the beam angle from 10° to 60°, from concentrated and focused light beam angle to long-distance light.

The housing is very durable, and the design provides an ergonomic and safe grip.

TORCH LITE 400 is also delivered with a practical wrist strap to keep the flashlight extra secure throughout the day.
