

NOVA 3K

Outstanding 3000 lumen COB LED work light

A+

ORIGINAL
SCANGRIP
SINCE 1906

ORIGINAL NOVA work light – now in a new and even better generation. NOVA 3K is a universal all-round work light giving you endless application possibilities in every working environment.

The sturdiness of the new NOVA 3K makes it endure the rough, wet and dirty environment at the construction site, and can be used for outdoor work under all kinds of weather conditions. The unique COB LED technology delivers extremely high light output, with a uniform and completely even illumination. The CRI value is close to that of daylight, and the NOVA housing is made of a robust diecasted aluminum, resistant to strong strokes, shocks and vibration – perfect for a working environment.

The new NOVA design is elegant, with an integrated carrying handle and a new stand for direct mounting on the SCANGRIP TRIPOD. The new light dimmer function makes it possible to adjust the light into five different levels.
