VEGA LITE C+R

2500 lumen rechargeable LED work light with DUAL SYSTEM

VEGA LITE C+R is a part of a range of three innovative, sturdy, lightweight LED floodlights for the demanding craftsman, which provides high quality illumination to a variety of indoor and outdoor areas.

Compared to the previous version, the light output of **the upgraded VEGA LITE C+R has been increased from 1500 lumen to 2500 lumen.** The powerful LEDs provide a diffused and pleasant, non-blinding, uniform work light, with a large dispersion. With a great design, performance and durability, the VEGA LITE C+R offers a strong light output and high quality at an attractive price.

The robust housing of the VEGA LITE C+R is made of a highly shock-resistant plastic material, perfect for a working environment. Since the LEDs do not produce heat, there is no fire hazard when using the floodlight.

VEGA LITE C+R comes with an integrated carrying handle and a stand for direct mounting of the lamp on the SCANGRIP TRIPOD.
