

VEGA LITE 1500 C+R

High efficient 1500 lumen LED floodlight with DUAL SYSTEM

A+

ORIGINAL
SCANGRIP
SINCE 1906

VEGA LITE 1500 C+R is a part of a range of three innovative, sturdy, light-weight LED floodlights for the demanding craftsman, which provides high quality illumination to a variety of indoor and outdoor areas.

With a great design, performance and durability, the VEGA LITE 1500 C+R offers a strong light output and high quality at an attractive price. The powerful LEDs provide a diffused and pleasant, non-blinding, uniform work light, with a large dispersion.

The robust housing of the VEGA LITE 1500 C+R is made of a highly shock-resistant plastic material, perfect for a working environment. Since the LEDs do not produce heat, there is no fire hazard when using the floodlight.

VEGA LITE 1500 C+R comes with an integrated carrying handle and a stand for direct mounting of the lamp on the SCANGRIP TRIPOD.

DUAL SYSTEM
2 in 1

The new VEGA LITE 1500 C+R is both rechargeable and with cable. DUAL SYSTEM provides you with the freedom to use the light where you need it. For instance in remote areas with limited or no access to electricity or with unstable power supply.
