

FLOOD LITE S

Rechargeable LED floodlight with USB power bank

FLOOD LITE S is a compact floodlight easy to carry around from job to job. The sturdy and durable housing of the FLOOD LITE S is made of a highly shock-resistant plastic material, constructed for use in the demanding working environment.

// New upgraded version

Compared to the first generation, FLOOD LITE S has been upgraded with the highly efficient COB LED technology that ensures super bright illumination of the work area. It has also been upgraded with a stepless dimmer function in the range of 10 % to 100 % that enables you to easily adjust the light output to the work task.

// Flexible positioning

The FLOOD LITE S can be positioned onto the SCANGRIP TRIPOD providing a stationary work light solution in a height of up to 3m. If a mobile lighting solution is requested the FLOOD LITE can be mounted on the SCANGRIP WHEELSTAND. A dual bracket for positioning of two lamps is also available as optional accessory.

- Lightweight and compact in slim design
- Durable housing made of shock-resistant plastic material
- Adjustable light output with stepless dimmer function
- Charging indicator

Flexible stand

Stepless dimmer
10-100%

// Powerbank
