

# MULTILIGHT KIT

## Exchangeable light heads and handle for versatile application

ORIGINAL  
SCANGRIP  
SINCE 1906

Depending on the job at hand, the MULTILIGHT KIT provides you with complete freedom to choose and tailor exactly the work light solution you need.

The MULTILIGHT CONNECT concept is based on the idea of combining a basic handle as known from power tools with a range of different work light heads which can be used and exchanged according to different applications. The kit comes with four different exchangeable light heads, enabling you to easily exchange and use the light head that suits your work situation best.

**The MULTILIGHT KIT includes:**

03.5696C MULTILIGHT BODY CONNECT  
03.5697C FLEX HEAD CONNECT  
03.5698C FLOOD HEAD CONNECT  
03.5699C SEARCH HEAD CONNECT  
03.5701C AREA HEAD CONNECT  
49.0511 MULTILIGHT CASE

This MULTILIGHT concept is compatible with METABO / CAS battery system 18 V and all other 18 V/20 V battery packs from leading power tool brands by using the SCANGRIP CONNECTOR. In addition, the POWER SUPPLY CONNECT can be used for direct power providing unlimited availability to light. The MULTILIGHT BODY CONNECT handle has a flexible mounting system that combines a bracket, hook, and magnet into one unit, ensuring maximum functionality and flexibility.

The exchangeable light heads and the MULTILIGHT BODY handle are delivered in a practical and sturdy transport case, which is easy to carry around. When the case is not in use, it provides practical and space-saving storage of the MULTILIGHT range.

// CONNECTOR and battery are not included.
